Parent Request for
Electronic Communication

Dear Parents:

To promote the improvement of your child's academic achievement, this form officially documents your request to receive an electronic message from the designated teacher. You acknowledge, by your signature, that you are the recipient of the information and that your child's privacy of information is not compromised by this electronic message.

A parent signature approving the use of electronic communication *does not* obligate all Utica High School teachers to communicate with parents using the internet. Utilizing the Internet is only one mode of communication. It is at the teacher's discretion as to the most appropriate method of communication.
